FAFSA/CADAA Opt-Out Form

STUDENT INFORMATION

The Free Application for Federal Student Aid (FAFSA) or California Dream Act Application (CADAA) determines a student's eligibility for financial aid to assist with a student's attendance at a college or career school. California Education Code (CEC) 51225.7 requires a local educational agency to confirm each 12th grade student's completion and submission of a FAFSA/CADAA unless the student is determined to be exempt or an opt-out form is completed by a student who is an emancipated minor, a student who is 18 years of age or older, a legal guardian, or parent, or a local educational agency on a student's behalf. This opt-out form enables a student to **Opt-Out** of the completion of a FAFSA or CADAA form.

To opt a student out of the Financial Aid Application requirement, please complete this form and return it to your high school's counseling department by November 1, 2022.

Submitting a *Financial Aid Application Opt-Out Form* does not prohibit a student from completing and submitting a financial aid application at any time or in the future.
