Attention Mustang Family,

Welcome back Mustangs! I hope this letter finds you doing well and enjoying the last few days of summer break. To prepare us for the beginning of the next school year, our faculty and staff have been working hard this summer to prepare our school and calendar for the arrival of your student(s). Like you, we are looking forward to returning to school five days a week with a normal school calendar and bell schedule which is attached to this email.

The California Department of Public Health (CDPH) COVID 19 school safety guidelines have changed since the end of last year. The (CDPH) most current guidelines will be shared at the Amador County Board of Trustees meeting on August 4 at 5:30 pm. Argonaut High School will communicate the new safety requirements to our families once the guidelines are publicly heard and voted on by the board of trustees. At the end of next week, you will receive an information package from Argonaut High School including the student handbook and latest COVID 19 safety guidelines. Please review the student handbook and safety information with your student(s).

As a reminder, please log on to your Aeries account and update your contact, medical, and emergency information. Should you have additional questions, please do not hesitate to reach out to us in the office beginning August 2nd, from 7:30 am to 3:30 pm, at (209) 257-7740.

Important Dates:

Freshman Orientation	August 10	8:30 AM to 12:30 PM
